

PROTECT*YOU2*TM

Safety Enhancement System

Introducing the safest mattress cover for rail-free facilities

Protect your patient and your mattress investment.

- Full enclosure mattress cover designed to fit most foam and alternating pressure mattresses
- Voluntary ingress/egress sections address restraint concerns
- Easy to clean, wipe down or machine washable cover
- Fluid resistant, breathable stretch material
- Anti-microbial - reduces odor issues, MRSA and other bacteria
- Meets CAL 117 and CFR 16 Part 1632 flame retardant standards
- One year limited warranty
