

HYBRIDSELECT®

SELECT SERIES

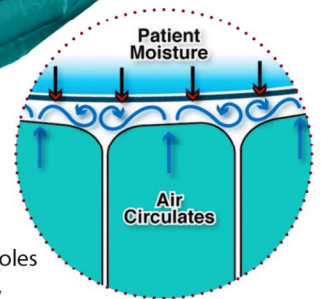

User-Friendly Control Unit

Rapid inflation, easy set-up, and a motor so quiet, the patient will hardly know it's there!

Wicking Action

Air escapes through tiny holes on the top of the mattress, and circulates under a vapor-permeable cover, to wick moisture away from patient.

Features **HEEL FLOAT** - a removable heel section that can be placed on a seating surface for continuous skin protection.

Pulsation - provides two cycles of therapeutic alternative pressure relief.

Optional Hand Held Control - allows client to make adjustments as necessary.

Medicare Code

E0372
Group 2 Support Surface

Mattress Sizes Available

Custom bariatric sizes include 39", 42", 48", 54" and 60" widths.

Cover (Top Surface)
